

ATTESTATION OF CONFORMITY

- RAW MATERIALS -

ECOCERT COSMETICS

This attestation has been granted by ECOCERT Greenlife to the company:

SEPPIC SA

50 Boulevard National
92250 LA GARENNE-COLOMBES
FRANCE

whose non-organic raw materials (listed hereafter) have been assessed as compliant to the current version of the ECOCERT standard:

NATURAL AND ORGANIC COSMETICS

This attestation of conformity has been issued on the basis of the terms and conditions for the verification of raw materials according to the ECOCERT standard defining Natural and Organic Cosmetics available on the ECOCERT website: <http://www.ecocert.com> and the conformity has been established according to the requirements related to the raw materials contained in this standard.

Issued in: L'Isle Jourdain,
the: 16/01/2024,

Emilie CHERHAL
ECOCERT Greenlife General Manager

Valid until: 31/12/2024

ATTESTATION OF CONFORMITY - ECOCERT COSMETICS

List of the approved raw materials of: **SEPPIC SA**

Nat: Natural or from natural origin
Veg: Physically processed vegetal ingredients
Synth: Synthetic (petrochemical)

Unless an exception, the following references are published on the ECOCERT raw materials online database for approved raw materials available at the following link: <http://ap.ecocert.com/ecoproducts>

Commercial name / INCI / Function	%Nat	%Veg	%Synth	Restriction	Approved since

Valid until: 31/12/2024

WARNING: The sole purpose of the present attestation is to allow the raw material(s) to be used in finished products to be certified as compliant to the standard specified in the first page. In no event this attestation should constitute proof of the actual certification of the conformity of the raw material(s) to this standard. In that context, the raw material(s) listed in this attestation must not be qualified and / or marketed as «organic» raw material(s) certified in accordance with the abovementioned standard. The approval of the raw material (s) listed in the present attestation is personally addressed to the above-mentioned beneficiary. It is the beneficiary's liability to ensure that its own customers are aware of the requirements and prohibitions defined in the terms and conditions and governing any reference to and use of the approval of the raw material(s) and that they abide by it.
